FATAL ACCIDENTS

INFORMATION REQUIRED

LOSS OF SUPPORT CALCULATIONS

Pre-retirement:-

- Dates of birth of deceased and dependants
- Date of death
- Gross and net pre-accident earnings of deceased (and spouse for cases in England, Wales and Northern Ireland)
- Details of promoted levels of pay, if appropriate
- Details of benefits in kind e.g. P11D returns
- Copies of any vocational/employment reports on file
- Anticipated retirement age of deceased and spouse

Post retirement:-

- Dates of birth of deceased and dependants
- Date of death
- Details of any pension rights accrued by both the deceased (and his dependant spouse/partner for cases in England, Wales and Northern Ireland). This is to include previous occupations as well as the current occupation. Copies of any State pension forecasts on file
- Gross pre-accident earnings of deceased
- Details of promoted levels of pay, if appropriate
- Copies of any vocational/employment reports on file
- Anticipated retirement age of deceased
- Copies of relevant background information and correspondence
- A Mandate from the pursuer/claimant is not always required but can be useful in more complex cases
